

CLYC March 2024 Deckhands of the Month!

Ron & Faye Wilbur

We are excited to share the CLYC Deck Hands of the Month! **Ron & Faye Wilber**

When it comes to taking a boat out for a cruise day or night both Ron & Faye Wilber continue to show how much they love boating on the lake. During the month of March, Ron & Faye attended our clinic “How to Get Your Boat Ready for the Season” to offer suggestions to other Canyon Lakers on how to make the boating season terrific. The first of the Club’s cruises was very chilly but Ron and Faye bundled up (including their dog) to attend and help lead the cruise.

Rain or shine, wind or flood, the Wilbers live for the water and help others enjoy life on the lake. We are excited to be able to have them as members of the CLYC. We hope that all of you have put the clycca.org on your compass [favorites] and check it regularly because it will be the source of all information regarding everything that we are doing and planning, plus a way to also become our next Deck Hand of the Month.

To show our appreciation for their dedication & continued efforts to promote the club, the CLYC board members unanimously voted that these two demonstrated the traits of a good **Sailor/Deck Hand!** The two were treated to dinner and drinks at the Lighthouse Restaurant & Bar and were accompanied by Commodore Rob Mora, Vice Commodore Dave Carter, Purser Lynette Rodriguez & Membership Chair Cindy Silk Gonzalez on April 10, 2024.

While enjoying dinner, the board members asked Ron & Faye a few questions to help the club get to know them a little better. This new segment is what we are calling “**The Sailor Six**”

Sailor Six Questions & Answers:

1. How long have you lived in Canyon Lake? **7 years**
2. How long have you been a member of the CL Yacht Club? **7 years**
3. If you were stranded on an island, where would you want to be? **Kauai**
4. What YC event do you look forward to the most? **Parade of Lights. This year will be the 43rd annual .**
5. Favorite water activity? **Moonlight Cruise**
6. Does your boat have a name? If not, what would you call it? **Bo At**
